VISION LETTER

A Call to Shepherd in Tennessee

Dear Pastor,

I am reaching out to you as the Director of Pastoral Outreach for Tennessee Right to Life. As a licensed and ordained minister for over thirty years, I have served as both pastor and associate minister in churches here in Nashville, TN.

I understand and respect the calling God has placed on your life, and the time and commitment it takes to fulfill that calling. I am writing to you because you are in a unique position to make a difference in a very crucial challenge:

Standing for the Sanctity of Human Life. We are in a defining moment.

For the first time in decades, through an act of congress, the responsibility to protect life has returned to the states. And in this moment, the question before us is clear: **will the Church lead?**

There are many in our nation, and around the world, who would frame this as a *political* issue, when it is in fact a *moral* issue; a matter of truth, obedience, and compassion.

That is why we are launching **The Shepherds' Council for Life**, a unified body of pastors across Tennessee committed to standing for the sanctity of life.

We understand that you may already have a "full plate," but we believe that it is time for the Church to take more of an active role in protecting and preserving the lives of the most venerable among us, and you, pastor, can help lead the way in this most pivotal and crucial time in our nation.

Would you consider a brief meeting or phone conversation?

Would you prayerfully consider joining us in this effort?

For LIFE,

Pastor *Mike Williams*
